

PRESS RELEASE

FOR IMMEDIATE RELEASE

Date: 26th June 2025

NO IMPEACHMENT HAS OCCURRED – GOVERNOR REMAINS IN OFFICE

The Office of the Governor of Isiolo County would like to categorically and unequivocally state that no lawful impeachment has taken place against H.E. Abdi Ibrahim Hassan, Governor of Isiolo County.

Contrary to misinformation being circulated through various channels, the alleged impeachment process failed to adhere to the constitutional and procedural requirements as set out under Kenyan law. The County Assembly of Isiolo neither convened properly as required, nor did it table a substantive impeachment motion in accordance with established legislative procedure. Furthermore, the Governor was never afforded the legal right to be heard or to defend himself against any allegations as guaranteed under Article 50 of the Constitution of Kenya.

This blatant disregard for due process renders the entire purported impeachment process null and void.

In addition, it is important to bring to the attention of the public that a valid court order remains in force, suspending any purported impeachment proceedings. The law must be respected by all parties, and no individual or institution is above the Constitution.

The people of Isiolo County are urged to ignore any narrative suggesting a change in leadership. Governor Abdi Ibrahim Hassan continues to discharge his constitutional duties as the lawfully elected Governor of Isiolo County.

The Governor remains committed to upholding the rule of law, fostering unity, and delivering services to the people of Isiolo with integrity, transparency, and accountability.

Signed,

Communications Office
